

# Some Kind of Wonderful

Carole King

All you have to do is touch my hand  
To show me you understand  
And something happens to me  
That's some kind of wonderful  
Any time my little world is blue  
I just have to look at you  
And everything seems to be  
Some kind of wonderful

I know I can't express  
This feeling of tenderness  
There's so much I want to say  
But the right words just don't come my way  
I just know when I'm in your embrace  
This world is a happy place  
And something happens to me  
That's some kind of wonderful

I know I can't express  
This feeling of tenderness  
There's so much I want to say  
But the right words just don't come my way  
I just know when I'm in your embrace  
This world is a happy place  
And something happens to me  
That's some kind of wonderful

Some kind of wonderful  
Some kind of wonderful  
Wonderful, wonderful, wonderful  
Some kind of wonderful  
Some kind of wonderful
