

# You Can Close Your Eyes

Carole King

Well the sun is surely sinking down, but the moon is slowly rising.  
So this old world must still be spinning round and I still love you.

So close your eyes, you can close your eyes, it's all right.  
I don't know no love songs and I can't sing the blues anymore.  
But I can sing this song and you can sing this song when I'm gone.

It won't be long before another day, we gonna have a good time.  
And no one's gonna take that time away. You can stay as long as you like.

So close your eyes, you can close your eyes, it's all right.  
I don't know no love songs and I can't sing the blues anymore.  
But I can sing this song and you can sing this song when I'm gone.
