

## Go With God

Carolyn Arends

Farther than lands you have ever imagined  
Deeper than even the oceans of blue  
An open horizon is waiting like morning  
Waking the dreamer who's living in you

So now go with the wind at your back  
And the sun on your face  
With a song in your heart  
And the promise of grace

Go in peace and in truth  
And let love lead your way  
Go with God  
Go with God

Stronger than will in the soul of a fighter  
Higher than hope in the heart of a child  
There is a longing, a yearning inside us  
That's reaching for Heaven and won't be denied

If you go with the wind at your back  
And the sun on your face  
With a song in your heart  
And the promise of grace

Go in peace and in truth  
And let love lead your way  
Go with God  
Go with God

Go with the wind at your back  
And the sun on your face  
With a song in your heart  
And the promise of grace

Go in peace and in truth  
And let love lead your way  
Go with God  
Go with God  
Go with God
