Go With God

Carolyn Arends

Farther than lands you have ever imagined Deeper than even the oceans of blue An open horizon is waiting like morning Waking the dreamer who's living in you

So now go with the wind at your back And the sun on your face With a song in your heart And the promise of grace

Go in peace and in truth And let love lead your way Go with God Go with God

Stronger than will in the soul of a fighter Higher than hope in the heart of a child There is a longing, a yearning inside us That's reaching for Heaven and won't be denied

If you go with the wind at your back And the sun on your face With a song in your heart And the promise of grace

Go in peace and in truth And let love lead your way Go with God Go with God

Go with the wind at your back And the sun on your face With a song in your heart And the promise of grace

Go in peace and in truth And let love lead your way Go with God Go with God Go with God
