

# Moonlight

Carousel Kings

If I can see it in your eyes, one more time  
I swear, I swear I'll never say goodbye  
And more ... I drove all night  
Like ... be by my side  
The stars I follow, and I turn song into get home  
This song's exhausting, all those feeling that I...  
Late night songs

If I could see you in the moonlight  
I'd light around my own fire in your eyes  
We're turning bridges in the moonlight,  
Tonight

I'll make everything I do, all for you

If you promise me you'll never leave my side  
I know that I can conquer everything  
As long as you're still in right by my side  
The stars I follow, and I turn song into get home  
This song's exhausting, all those feeling that I...  
Late night songs

If I could see you in the moonlight  
I'd light around my own fire in your eyes  
We're turning bridges in the moonlight,  
Tonight x 3
