

The Gathering Of Spirits

Carrie Newcomer

Let it go my love, my truest
Let it sail on silver wings
Life's a twinkling and that's for certain
But it's such a fine thing

There's a gathering of spirits
There's a festival of friends
And we'll take up where we left off
When we all meet again

I can't explain it
I couldn't if I tried
How the only things we carry
Are the things we hold inside

Like a day in the open
Like the love we won't forget
Like the laughter that we started
And it hasn't died down yet

Let it go my love, my truest
Let it sail on silver wings
Life's a twinkling and that's for certain
But it's such a fine thing

There's a gathering of spirits
There's a festival of friends
And we'll take up where we left off
When we all meet again

Oh yeah, now didn't we
And don't we make it shine
Aren't we standing in the center of
Something rare and fine

Some glow like embers
Like a light through colored glass
Some give it all in one great flame
Throwing kisses as they pass

So let it go my love, my truest
Let it sail on silver wings
Life's a twinkling and that's for certain
But it's such a fine thing

There's a gathering of spirits
There's a festival of friends
And we'll take up where we left off
When we all meet again

East of Eden
But there's Heaven in our midst
And we're never really all that far
From those we loved and miss

Wade out in the water
There's a glory all around

And the wisest say there's a 1000 ways
To kneel and kiss the ground

Let it go my love, my truest
Let it sail on silver wings
Life's a twinkling and that's for certain
But it's such a fine thing

There's a gathering of spirits
There's a festival of friends
And we'll take up where we left off
When we all meet again

And we'll take up where we left off
When we all meet again
