

# Just Like a Pill

Cascada

I'm lyin' here on the floor where you left me  
I think I took too much  
I'm crying here, what have you done?  
I thought it would be fun

I can't stay on your life support  
There's a shortage in the switch  
I can't stay on your morphine  
'Cause it's making me itch  
I said I tried to call the nurse again  
But she's being a little bitch  
I think I'll get outta here  
Where I can

Run as fast as I can  
To the middle of nowhere  
To the middle of my frustrated fears  
And I swear, you're just like a pill  
Instead of makin' me better  
You keep makin' me ill  
You're makin' me ill

Run as fast as I can  
To the middle of nowhere  
To the middle of my frustrated fears  
And I swear, you're just like a pill  
Instead of makin' me better  
You keep makin' me ill  
You're makin' me ill

I haven't moved from the spot where you left me  
This must be a bad trip  
All of the other pills, they were different  
Maybe I should get some help

I can't stay on your life support  
There's a shortage in the switch  
I can't stay on your morphine  
'Cause it's making me itch  
I said I tried to call the nurse again  
But she's being a little bitch  
I think I'll get outta here  
Where I can

Run as fast as I can  
To the middle of nowhere  
To the middle of my frustrated fears  
And I swear, you're just like a pill  
Instead of makin' me better  
You keep makin' me ill  
You're makin' me ill

Run as fast as I can  
To the middle of nowhere  
To the middle of my frustrated fears  
And I swear, you're just like a pill  
Instead of makin' me better

You keep makin' me ill  
You're makin' me ill

Where I can run as fast as I can  
To the middle of nowhere  
To the middle of my frustrated fears  
And I swear, you're just like a pill  
Instead of makin' me better  
You keep makin' me ill  
You're makin' me ill
