

# Heaven

## Case

Put my hand on it  
Tell me what you want baby girl, I won't stop yeah  
Right now you want it  
I'm gonna play my part and we can get rocking  
Tonight is about you  
Show me what you want, we can play all night girl, we can get it on  
Tonight is about you  
Show me what you want, we can play all night girl, we can get it on

Then I saw heaven  
She laid on the bed  
Then I saw heaven  
She asked me to beg  
I said baby baby baby baby  
Baby baby baby  
You are my number one  
You are my number one  
Yes yes yes

Come and jump on it  
Saddle up, baby you can be my jockey  
I know that you're about that life  
But this ride can get little rocky

And I don't know  
If you're prepared to go  
Somewhere beyond this room  
So we can take it slow slow slow slow

Then I saw heaven  
Oh baby baby baby  
Dripping down her legs oh baby  
Then I saw heaven  
She asked me to beg  
And I said please please please baby please  
You are my number one, oh baby  
Yeah yeah  
You are my number one, my number one

Tell me all the words to say  
To make sure that you'll always stay  
Come wrap your love around my love  
I swear we'll make time stop

Oh baby  
Keep my heaven here  
Keep my loving here

Then I saw heaven  
Dripping down her legs  
Then I saw heaven  
She asked me to beg  
I love it, I love it, I love it, I love it babe  
Yes yes yes  
I love you  
I love the heaven that you bring to me  
Yeah
