You're gonna wanna replay, replay
You're gonna wanna replay, replay
All right
Replay, replay

I can see you lookin' (lookin')
Yeah I know you want it (I want you)
Take you on a ride
This is where we're goin'
Take you somewhere private
Sweat drip from your body
Yeah we vibing on an island, perfect climate
No more sleeping alone
Don't be so afraid to be satisfied
When you know it's true
Now you're talking to your friends saying "what should I do?"
When you already know

That you wanna get busy
That you wanna get right
That you wanna get with it
That you wanna be mine

Cause this is the time
And you're looking like the girl
When I turn off the lights
Give it to you so good
That you can't deny
You're gonna wanna replay, replay
You're gonna wanna replay, replay, yeah
Replay, replay, replay, replay
When I bust it down, that's when we play, we play
When I'm laying beside you
You're gonna wanna replay, replay
Replay, replay, yeah

You gon' love my cooking
Fresh up in the morning
You're like "Oh my goodness
Why you didn't warn me?"
It weren't supposed to be that real
Weren't supposed to be that good
Can't change the way I feel
Wouldn't change it if I could
You ain't got them [?], I'm telling you girl
You know just what's happening cause I'm rocking your world
You're gon' wanna run it back so tell me what is the move?
Cause I already know

That you wanna get busy
That you wanna get right
That you wanna get with it
That you wanna be mine

Cause this is the time
And you're looking like the girl
When I turn off the lights
Give it to you so good
That you can't deny
You're gonna wanna replay, replay
You're gonna wanna replay, replay, yeah
Replay, replay, replay, replay
When I bust it down, that's when we play, we play
When I'm laying beside you
You're gonna wanna replay, replay
Replay, replay, yeah

That you wanna get busy
That you wanna get right
That you wanna get with it
That you wanna be mine

Cause this is the time
And you're looking like the girl
When I turn off the lights
Give it to you so good
That you can't deny
You're gonna wanna replay, replay
