

Oh babe  
Little lady dying to find  
The love that she can call her own  
She can't be alone  
And that's where she's calling my name, ooh yeah  
See I know that she can love me deeply  
If she could have the time  
To get her look just right  
And then maybe she could be mine

- Cause she's just tryin to shine  
To find something to get out of life  
When will she realize  
That the answer is right they're in front of her eyes

She go crazy thinking 'bout things  
She can't afford to have today, heh  
She need to come on and love me for me  
I've been known to make a way, oh, oh, oh, ooh wee  
I know me and I can't love her like that  
I can be different from another man  
Cause she's so fine  
And somehow or someway  
I'm gonna make that girl mine

Do you baby?  
Do-do-do-do-do-do-do, uh-huh  
Oh,uh yeah, hey, hey
