

# Need Your Love so Bad

Casey Abrams

I need someone's hand to lead me through the night  
I need someone's arms to hold and squeeze me tight  
And when the night begins and I'm at end  
I need your love so bad

I need some lips to feel next to mine  
I need someone to stand up and tell me when I'm lyin'  
When the lights are low and it's time to go  
I need your love so bad

So give it up, bring it home to me  
Write it on a piece of paper so it can be read to me  
Tell me that you love me, stop driving me mad  
'Cause I need your love so bad

Need a voice that's gonna talk to me at night  
Don't worry baby, we don't have to fuss or fight  
Listen to my plea and bring it home to me  
I need your love so bad

So give it up, bring it home to me  
Write it on a piece of paper so it can be read to me  
Tell me that you love me, I said stop driving me mad  
'Cause I need your love so bad

Oh I need a voice that'll talk to me at night  
I said don't worry baby, we don't have to fuss or fight  
Listen to my plea and bring it home to me  
I need your love so bad  
Yes I need your love so bad
