

Pie

Casey Abrams

I'm feeling myself tonight
With some whipped cream if you like, yeah
If you want a lemon pie
We can go on a wild ride

I'm eating that pie tonight, uh
I'm eating that left and right, yeah
You know I love it when the lemon's [?]
I'm in love with the lemon vibe

It's gonna be really tight, ah, eh
It's gonna feel and smell and taste so wonderful
You know that it's gonna be like
Candy canes and sugar in my mouth, yeah
And if you want a taste, you can take a bite now

I'm killing it with some lime
The [?] a perfect [?] yeah
If you want some lemon Murray, uh
That's gonna be real, real tangy

It's gonna be real juicy, sweet, ah, uh
I'm gonna even that sweet ass apple pie
You know I love it 'cause [?]
Let me have some seconds on those pastries, ah
'Cause I'm really, really hungry
