

Round Midnight

Casey Abrams

It begins to tell, round midnight, midnight
I do pretty well, till after sundown
Supertime I'm feeling sad
But it really gets bad round midnight

Memories always start
Round midnight, round midnight
Haven't got the heart to stand those memories
When my heart is still with you
And old midnight comes around

When a quarrel we had needs mending
Does it mean that our love is ending?
Darling I need you, lately I find
You're out of my heart and I'm out of my mind

And let, let our hearts take wing
Round midnight, midnight
Let the angels sing for your returning
Till our love is safe and sound
And old midnight comes around

When a quarrel we had needs mending
Does it mean that our love is ending?
Darling I need you, and lately I find
You're out of my heart and I'm out of my mind

Let our hearts take wing
Round midnight, round midnight
Let the angels sing for your returning
Till our love is safe and sound
And old midnight, it's gonna come around
