

Broke

Casey Veggies

Yeah
(Nyne Six)
If I ever go broke
All day
Yeah, yeah
Yeah yeah, Casey

If I ever go broke I get money out these bitches
Ever go broke I get bread out these trenches
Stay away from racks, I get cheese from the traps
Really went down, takin' trips 'cross the map
If I ever go broke
Yeah
If I ever go broke

Aw man, yeah
If I ever go broke I get bread off these hoes
Ever go broke I get bread off these hoes
I guess she didn't want me, now I got to glow
Ran up 100 but still chasing more
Bad little chick buy the check she gon' go
She roll up the dough while I count up the dough
She want a nigga that's popping
That iced out his watches
Shawty want me take her shopping, I'm like baby stop
I know the haters be watching
I grind like I ain't got no options and don't plan on stopping
All of my niggas is violent
f*ck with us, leave your ass silent
And no, I can't stop 'em
Rock Versace frames, I'm Big Poppa
Baby get dough, I can't knock her
I ain't trying to lock her
Shawty, she know I be watching
Shawty, she know I be watching
I'm just being honest
Promise my chick be astonished
When I pull up in the whip shining in all that designer
Shawty your body like diamond
Look like she mixed with exotic
I knew I would find you
Baby, you know I'm the man
Call me the foreman, I'm really the man with the plan
I turn this bitch to a fan
And she made me rich, that's the plan

If I ever go broke
Yeah
If I ever go broke
Yeah, yeah
If I ever go broke
If I ever go broke
If I ever go broke
If I ever go broke
Yeah, yeah
If I ever go broke, I get rich off these hoes
Yeah

Bitch I get dough, she play with her nose, she's made for stones

Been talking money so long I can't go broke
So strong I got the game in a choke hold
Squad switched, now I'm getting to it solo
I been getting out the mud, I ain't no joke
I got a problem spending hundreds and poppin' them tags
Keep the money in the dresser, the rest in the stash
Good everywhere I go, yeah they know me
Pulled up counting hundreds, that's with 03

I came here with Casey, the bitches gon' hate me
They wish they could date me
Your bitch trying to rape me
I'm freestyling lately
My nigga in here smilin'
All my niggas in here wildin'
Turn it down, we so violent
Ooh, I been down, now I'm solid
Yeah
If I go broke
If I ever go broke
Bitch want no smoke
No, you don't want no more
If I ever go broke

If I ever go broke
Yeah
If I ever go broke
Yeah, yeah
If I ever go broke
If I ever go broke
If I ever go broke
If I ever go broke
Yeah, yeah
If I ever go broke, I get rich off these hoes
Yeah
