

# We Are The Youth

## Cashless Society

They always try to tell us, that we'll never reach our goals  
That we can't change the way the world is spinning round and round

They say: "It's always been that way, believe in what we say!"

But we won't trust and you should do this, too

So open up your eyes

Don't follow blind

Don't believe in their lies, cause we...

We are the youth

It's time to raise our voice

It's time to face the truth

Cause we are the youth

Let's take a stand

Take the power in our hands

Cause we are the youth

It's time to face it!

You always tell everyone: "No future, that's the deal!"

You rather watch the world go down

You don't care, that's all you do

As long as you can waste away your time, your money, your brain

But we won't trust and you should do this, too

So open up your eyes

Don't follow blind

Don't believe in their lies, cause we...

We are the youth

It's time to raise our voice

It's time to face the truth

Cause we are the youth

Let's take a stand

Take the power in our hands

Cause we are the youth

It's time to face it!
