

Can't Go Broke

Caskey

If I do the crime, I'ma do the time
All I do is smoke weed, I'm too sublime
Don't run up on me, you'll lose your life
When you got a fo' five, you don't lose a fight
Yeah, broke boys get the f*ck up out my way, I'm on go mode
Yeah, half a xan and some molly and some white move in slow mo'
But I'm fast still, y'all M.O. is to act real
My motivation is to stack cheese, so I hustle 'til I bleed, I'm
like a athlete
I wake up early and go get the worm
Been broke but you live and learn
New friends and some bridges burned
But I always get the check 'cause it's my only concern

I had to go and get a check
Can't be broke forever, bitch, I had to go and get a check
Shorty got a good head on her shoulders but I only want the neck
And she only want me 'cause she heard 'round town I'm up next
Yeah, can't be broke forever, so I had to

I'm a money-makin' multiplier, OT, overtimer
If this rappin' shit don't work out, be a dope supplier

You still broke, all that work, when you gon' retire?
Never listen to your shit 'cause you don't inspire
House party at the crib, all we know is [?]
I got a grip on the knots like I'm holdin' pliers
He wanted work? Nah, I'm sorry, it got sold in piles
Money stretch, make it go for miles, yeah

Yuh, broke boys get the f*ck up out my way, I'm on go mode
Yeah, half a xan and some molly and some white move in slow mo'
But I'm fast still, y'all M.O. is to act real
My motivation is to stack cheese so I hustle 'til I bleed like
a athlete

Bitch, I had to go and get a check
Can't be broke forever, so I had to go and get the check
Shorty got a good head on her shoulders but I only want the neck
And she only want me 'cause she heard 'round town I'm up next
Yeah, bitch, I had to go and get a check
Bitch, I had to go and get a check
Bitch, I had to go and get a check
Bitch, I had to go and get a check
