## **High Speed Train**

You caught me by surprise You hit me like a high speed train Look into my eyes (eyes) Doubt that I'll ever fade into the background Fade into the background, uh, yeah You hit me like a high speed train Fade into the background Doubt that I'll ever be the same

Yeah, call me up when it is time

I'm not so well with the in-betweens Maybe you'll say that it's fine But that's not always what that means So if you could just come and spell it out (spell it out)

You hit me like a high speed train Fade into the background Doubt that I'll ever be the same
