

# My Heart

Caskey

I tried to warn you

Don't play, don't play  
Don't play with my heart  
Don't play, don't play  
Don't play with my heart  
Don't play, don't play  
Don't play with my heart  
Don't play, don't play  
Don't play with my heart

I've been going through some things  
My bitch left me in the open  
I've been going through some things  
You don't know the half of it, I'm holdin' it  
I don't where I begin  
I just roll me a blunt, I'ma sin  
When I pop a pill, I'm feeling fine  
I think something wrong with my state of mind  
Yeah, please don't play with my heart, I'm fragile  
Yeah, fucking women I don't care about, ooh, it's a battle

Don't play, don't play  
Don't play with my heart  
Don't play, don't play  
Don't play with my heart

I don't celebrate nothin'  
My bitch left me on my birthday  
I went and popped a 2-pack  
Shit hit me in the worst way  
Drunk once again  
Inside of the club tryin' to find love  
Yeah, hate to play it in my head  
But I wish I could rewind us  
Don't play  
Don't play with my heart, I got demons  
Thinking you the one that's gonna change it, girl you dreamin'  
I made myself in love with money, money never leavin'  
Don't fuckin' play  
I ain't someone that you wanna get lost in  
I got head problems fucking with me it's exhaustin'

Don't play, don't play  
Don't play with my heart  
Don't play, don't play  
Don't play with my heart

I've been going through some things  
I don't know if y'all can see it  
I've been going through some things  
I popped off [?] leave it  
Tell 'em I'm going through some things  
'Cause I've been going through some bad things  
I just popped me some Xans  
Yeah, ugh  
I'm spending nights Percocets

You a rich girl but you left me in a debt  
I ain't got a prob 'bout it, I just got away  
I'm out here tryna send my heart away, I'm in a jet  
I'm flying overseas, how you find love when you ?  
alone enough to make 'em freeze  
These bitches only want you 'cause they see you on the Ts  
How a girl like that supposed to take care of your needs?  
Yeah, the girl I love, she went to Asia  
That shit turned me to a player  
Maybe one day I'ma change her  
Probably not, so it's best you don't play

Don't play, don't play  
Don't play with my heart  
Don't play, don't play  
Don't play with my heart
