

People Suck

Caskey

Chase, that, [?], money
Catch, that, son of, bitch
By my, self, runnin', [?]

Don't know where I'm goin' all I know is it's up
Wake up, go to sleep, I got my pistol tucked
Y'all talk all that shit you want, I don't give a f*ck
I don't need no hand-out, got my hand on my nuts, you know that
When you winnin', they try disrupt
I'ma be off on my own 'cause, you know, people suck
We not in the same position, guess you ain't do enough
They gon' speculate because they ain't seein' us

I'd rather be dolo, than, with every Instagram star tryna get p
romo
Rather be dolo, then workin' on myself so I could be glow mo'
Rather be by myself, 'cause I can't trust y'all far as I can th
row you
I don't wanna take no pics or talk no biz 'cause I don't even k
now you
Seem like, every day somebody got a new scheme to try and get a
lil bit of my cream

Gotta watch out for the roadblocks, so I drive slow with the hi
gh beams
Gotta watch out for the real intent when people come around, sa
y nice things
Bitch, I was broke at nineteen, twenty years old, shit changed
like lightning
