

Swiping

Caskey

Yeah, keep on swipin'
Swipin', I'm swipin'
Yeah, keep on swipin'
Swipin', I'm swipin'

Yeah, keep on swipin', want the cake and the icin'
f*ck my bitch with no lights 'cause she lightskin
Really got the drum, that's my hype man
Y'all do all that talkin', you're just typin'

Ayy, poppin' up, out Jeep with the doors up
Got the bands, where I sleep like a tour bus
Knock them off, he went to sleep like he poured up
I'm insane, 'cause I came out of Florida
Put some gold, in my teeth and it's open faced
Go to war, about my dogs like it's Golden State
Can't talk too much, that's still a open case
Won't sip that lean y'all try to sell because I know the taste
Bitch, I brought my pipe in, so there won't be no fightin'
'Less you tryna make me do the dash like a hyphen
She keep on suckin' me this way, just might wife it
Can't trust these hoes that's in LA, 'cause they triflin'

Yeah, want the cake and the icin'
f*ck my bitch with no lights 'cause she lightskin
All that talk, they just typin' (bitch)
Really got the drum, that's my hype man

Keep on swipin'
Swipin', I'm swipin', I'm swipin'

Keep on swipin'
Swipin', I'm swipin', I'm swipin'

Bitch, I be swipin', your money get cyphened (bitch)
Your work too cut, it don't jump, like white men (bitch)
Yeah, pop out with the juice, she gettin' excitin'
Tried to tell me my worth, but this shit too priceless
And I'm too enlightened
She doin' whatever I say like my name was Simon
That's what I'm in
They takin' the money from me, then I gotta find it
Doin' the heimlich
K, y'all must've swallowed your pride, you not in alignment
Upgraded the watch I don't wanna shine 'cause all my shit timeless
Tried to stab my back, car been in reverse
So I hit the gas, now they gon' get in my hearse
I gotta hustle like I'm on the turf, f*ck it, I've been through worse
Juice right next to the work, I'ma let it disperse

Yeah, I keep on swipin', want the cake and the icin'
f*ck my bitch with no lights 'cause she lightskin
Doin' all the talk, they just typin'
Really got the drum, that's my hype man

Swipin' (yeah)
Swipin', I'm swipin', I'm swipin'

Bitch, I keep on swipin'
Swipin', I'm swipin', I'm swipin'
Swipin'
