

You + Me + Weed

Caskey

It's just you, and me, and this weed
It's just you, and me, and this weed

I wanna get high with you, an forget all my problems
f*ck goin' to sleep, I'm awake, I'm a goblin
I would've still found my way to the bottom
Hard to get it right when you're always the problem
Yeah, my mind is not a place I like to be
I like to, get lost in you and me
Yeah, get lost in you and me

It's just you, and me, and this weed
It's just you, and me, and this weed

Catch me, catch me in the field 'cause I like to get throwed
I could put three point five in the cone
I could roll the backwood with my eyes closed
She could suck a good dick and she white nosed
I don't like to talk much, I just like smoke
I don't, I don't like to talk much, I just like smoke
I could roll the backwood with my eyes closed
I could, I could roll the backwood with my eyes closed

Ayy, five grams in the 'wood, I wanna get high with you
Text message that you wet, that's when I get slidin' through
Yeah, she a Pisces, she give me attitude, then put her ass in my lap
I'm tryna put her to sleep and hit it so hard that she take her a nap
f*ck a player, I'm a mack
Mac-10, Mac-11, you play me, you know where you had it
She got a mouthful and she get makin' her sounds, it's just like the
engine I'm revvin'
She wanna go for a round, now it's round seven, yeah
Funny, was lookin' for trouble, I found Heaven
AKA, baby, you is a blessin'
Every time you get on top of me, you is impressive
I gotta speak about how I feel, I can't suppress it
It's prob'ly annoyin' to you, how much I wanna caress it
My friends wanna kick it, but

It's just you, and me, and this weed
It's just you, and me, and this weed

Catch me, catch me in the field 'cause I like to get throwed
I could put three point five in the cone
I could roll the backwood with my eyes closed
She could suck a good dick and she white nosed
I don't like to talk much, I just like smoke
I don't, I don't like to talk much, I just like smoke
I could roll the backwood with my eyes closed
I could, I could roll the backwood with my eyes closed
