

Disney Girls

Cass Elliot

Ooh

Clearing skies and drying eyes, now I see your smile
Darkness goes and softness shows a changing style
Just in time, words that rhyme will bless your soul
Now I'll fill your hands with kisses and a Tootsie Roll

Well reality, it's not for me and it makes me laugh
Oh, oh Fantasy World and Disney Girls, I'm coming back

Love, hi Rick, hi Dave, hi Pop, good morning, Mom
Oh love, get up, guess what, I'm in love with a guy I found
He's really swell as he likes church
Bingo chances and old time dances

Patti Page and summer days on old Cape Cod
Happy times, making wine in my garage
Country shade and lemonade, I guess I'm slowing down
It's a turned back world with a local boy in a smaller town

Well, open cars and clearer stars, that's what I've lacked
Oh, oh, Fantasy World and Disney Girls, I'm coming back

Love, hi Rick, hi Dave, hi Pop, good morning, Mom
Oh, love, get up, guess what, I'm in love with a guy I found
He's really swell and he likes church
Bingo chances and old time dances

All my life I've spent the night with dreams of you
Warmth I missed and for the things I wished, they're all coming
true

La, la, la, la, la, la, la, good morning, Mom
Oh, love, get up, guess what, I'm in love with a guy I found
He's really swell and he likes church
Bingo chances and old time dances

Fantasy World and Disney Girls, I'm coming back
