## Caravan

## **Cassandra Wilson**

Night and stars above that shine so bright The mystery of their fading light That shines upon our caravan

Sleep upon my shoulder as we creep Across the sands so I may keep This memory of our caravan

This is so exciting, you are so inviting Resting in my arms As I thrill to all the magic charms of you

You beside me here beneath the blue My dream of love is coming true Within our desert caravan

This is so exciting, you, you are so inviting Resting in my arms As I thrill to all the magic charms of you

You beside me here beneath the blue My dream of love is coming true Within our desert caravan Within our desert caravan
