Red River Valley

Cassandra Wilson

From this valley they say you are going We will miss your bright eyes and sweet smile For they say you are taking the sunshine That has brightened our pathways awhile

Come and sit by my side, if you love me Do not hasten to bid me adieu Just remember the Red River Valley And the cowboy who loved you so true

I've been thinking a long time, my darling Of the sweet words you never would say Now, alas, must my fond hopes all vanish For they say you are gong away

Do you think of the valley you're leaving O how lonely and how dreary it will be And do you think of the kind hearts you're breaking And the pain you are causing to me

Come and sit by my side, if you love me Do not hasten to bid me adieu Just remember the Red River Valley And the cowboy who loved you so true

They will bury me where you have wandered Near the hills where the daffodils grow When you're gone from the Red River Valley For I can't live without you I know

Come and sit by my side, if you love me Do not hasten to bid me adieu Just remember the Red River Valley And the cowboy who loved you so true
