Time After Time

Cassandra Wilson

Lying in my bed I hear the clock tick, And think of you Turning in circles confusion--Is nothing new Flashback to warm nights Almost left behind Suitcase of memories, Time after

Sometimes you picture me I'm walking too far ahead You're calling to me, I can't hear What you have said And you say--go slow I've fall behind The second hand unwinds

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time If you fall I will catch you I will be waiting Time after time Time after time

After your picture fades and darkness has Turned to gray Watching through windows I'm wondering If you're OK You say--go slow I fall behind The drum beats out of time

If you're lost you can look and you will find me Time after time If you fall I will catch you I'll be waiting Time after time If you fall I will catch you I will be waiting Time after time

Time after... time
