

# Official Girl

Cassie

Ah, Danja and the clutch  
I miss you girl, I miss you girl  
I'm a make you my official girl

Listen, today makes it a year  
Don't you think it's time that you made it clear?  
You gotta get on your biz  
Tell me what it ain't or what it is, I can handle it  
I've had it up to here, I don't wanna pressure you dear  
I've sent back to back dudes away from my door  
Thinking I was spoken for, not anymore

And I'm tired, I'm tired, I'm tired  
Of being your (your) unofficial girl, unofficial girl  
And I'm tired, I'm tired of trying (ooh but I'm still your)  
I'm still your (your) unofficial girl

(You gotta learn to love)  
You gotta love me in the light and the dark  
You gotta give me, give me all of your heart  
I wanna be your (be your) official girl, official girl  
Said I wanna, wanna, wanna be your (be your) official girl  
I wanna be your official girl, I wanna be your  
Official girl, official girl, official girl

If you keep this up there's bound to be a mess  
Cause I ain't really like the rest  
Put to the test I can surely pass (yeah), you better do the math  
I'm so stylish, so bossy, it'd be a shame to say you loss me  
But if you want that, it's a wrap and I won't look back (and I won't look back)

And I'm tired, I'm tired, I'm tired  
Of being your (your) unofficial girl, unofficial girl  
And I'm tired, I'm tired of trying (ooh)  
I'm still your (your) unofficial girl, unofficial girl

(You gotta learn to love)  
You gotta love me in the light and the dark  
You gotta give me, give me all of your heart  
I wanna be your (be your) official girl, official girl  
Said I wanna, wanna, wanna be your (be your) official girl  
I wanna be your official girl, I wanna be your  
(Said I wanna be your) Official girl, official girl, official girl

Shorty say she wanna be my official  
Bang bang, I ain't talking no pistol  
Ain't no violence, Ain't no silence  
Cause she scream to the top of her  
When I get on top of her  
Sounding like an opera  
Skip, drop, hopping her  
Got her feeling popular  
Got her feeling like she's my official girl  
Yeah, you so special girl  
I'll never diss you and I'll kiss you on your little pearl  
I know you like that baby, yeah you like that baby

I know I can make you come right back baby

Said I wanna be your official girl

I miss you girl, I miss you girl  
I'm a make you my official girl

You better act right  
I'm 2 seconds from being out the door

I miss you girl, I miss you girl  
I'm a make you my official girl

Said I won't be with you unofficially anymore  
And I can't make you choose  
Long as you're cool on knowing  
You're 'bout to blow a good thing  
And I ain't making ultimatums  
I'm a tell you like this verbatim

And I'm tired, I'm tired, I'm tired  
Of being your (your) unofficial girl, unofficial girl  
And I'm tired, I'm tired of trying (ooh)  
I'm still your (your) unofficial girl, unofficial girl

(You gotta learn to love)  
You gotta love me in the light and the dark  
You gotta give me, give me all of your heart  
I wanna be your (be your) official girl, official girl  
Said I wanna, wanna, wanna be your (be your) official girl  
I wanna be your official girl, I wanna be your  
Official girl, official girl, official girl

I miss you girl, I miss you girl  
I'm a make you official girl (official girl)  
You can be my official girl (my official girl)  
Cause you can be my official girl, girl
