

## Bad Waters

### Cast

When I think of the things I've squandered in my life  
It's been breaking my heart but I'll carry it through the night  
Well ain't it sad to be  
Drifting out to sea  
Bedeviled by the tide  
Without no hope inside

Oh my, looks like I'm  
Heading for bad waters  
Oh dear, looks like we're  
All heading down for bad water

When I think of the things I've squandered in my life  
I've been counting the cost but tomorrow I'll pay the price  
Shadows passing by  
Across the midday sky  
A lonesome albatross  
Is the only friend I've got  
I've got

Oh my, looks like I'm  
Heading for bad water  
Oh dear, looks like we're  
All heading down for bad water

Restless is the sea  
That's lashed on broken shore  
Oh what else could I be  
Alone again once more  
Oh oh oh oh oh

Oh my, looks like I'm  
Heading for bad water  
Oh dear, looks like we're  
All heading down for bad water  
Oh my, looks like I'm  
Heading for bad water  
Oh dear, looks like we're  
All heading down for bad water
