

Come On Everybody

Cast

Day light creeps (into my life)
Your thoughts sleep (into my mind)
Tease you now and I call your name
Come on everybody lets get together one more time

She falls deep (into my mind)
Colour leep (into my eyes)
Tease you now I just call your name
Come on everybody lets get together if we choose
Hold me if you wannit we get together one more time.

All I've seen (Into my life)
Where I've been (Into my life)
All those lead (Into my life)
All I free (Into my mind)
It's easy now I just call your name,
Come on everybody lets get together if we choose
Hold me if we wannit we get together one more time
Come on everybody let's get together if we choose
Hold me if we wannit we get together one more time
Hold me if you wannit we get together one more
Come on everybody let's get together now
Come on everybody lets get together if we choose
