

# Giving It All Away

## Cast

Do you believe, do you believe, do you believe, do you believe, do you believe,  
ve, do you believe, do you believe

Every morning when I awake I hear the same old news  
Breakfast TV and radio's keeping my mind amused  
The newspapers tell me so  
The broadcaster let's me know  
A headline's the greatest show  
Every hour of every day rehash and then reuse  
TV talk show and quiz games are making my life improved  
Showing me what I need  
In case of emergency  
A force-fed majority

One day I'm giving it all away  
One fine day I'm giving it all away  
I said mama, I've been listening to what you say  
One day soon I'm giving it all away

Do you believe in you and me  
Do you believe that we are made forever  
Forever  
What we need is unity  
What we need is everyone together  
Forever  
Ever

Every morning when I awake it feels like the day before  
All the plans that I wanna make, they lie on the bedroom flowers  
You see I sleep in a time machine  
It keeps me where I have been  
It's life through the silver screen  
I've been giving it all I've got, giving it everything  
Now I'm paying for what I want, paying with every day  
Bound to the things I want, bound by the things I need  
Bound to the life I lead

One day I'm giving it all away  
One fine day I'm giving it all away  
I said mama, I've been listening to what you say  
One day soon I'm giving it all away

Do you believe in you and me  
Do you believe that we are made forever  
Forever  
What we need is unity  
What we need is everyone together  
Forever  
Ever

It's not too late, it's not too late  
It's not too late, it's not too late  
Do you believe in you and me  
Do you believe that we are made forever  
Forever
