

Mother

Cast

He took the weight before the fall
She felt the life within her wall
And it's a mother's intuition
To make it seem like day
But it's her growing life's ambition
To be free
To be free
To be free
To be free

She always tried to do what's best
No nothing more or nothing less
And it's a mother's intuition
To make it seem like day
And it's her growing life's ambition
To be free
To be free
To be free
To be free

And when you think of all the times
That you thought you knew it all
But then you realise that who you are
Just don't seem right at all

She don't pretend to know the way
All she can do is say her say
And it's a mother's intuition
To make it seem like day
But it's her growing life's ambition
To be free
To be free
To be free
To be free
To be free
To be free
