

Out Of My Hands

Cast

And if I turn away from you
It's not because I wanted to
It's just because the pain I feel inside
My friends they all give support
But it's not their love I'm asking for
And what I want is to be with you again

It feels so strange
Don't try to understand
There's nothing left to say
It's out of my hands

And time can heal the deepest wounds
But nothing cures this ghost of you
I'm haunted by the love that we once shared
No matter how hard I try
Can't turn back these hands of time
It's obvious to everyone but me

It feels so strange
Don't try to understand
There's nothing left to say
It's out of my hands
It's out of my hands

It's hard to find the words
To tell you how I feel
Each moment that has passed
Reminds me what we had
And how our love betrayed, yeah

If I turn away from you
It's not because I wanted to
It's just because the pain I feel inside

It feels so strange
Don't try to understand
There's nothing left to say
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
