

Out Of The Blue

Cast

Maybe I will and a maybe I won't
You've got to wait and see
And if I do I shall give some to you
What would you leave for me?
We spend all day long
Trying to figure out what we're doing wrong
We spend most of the night
Dreaming to see if we're doing it right
So get out of the blue
And into the ocean
Instant freedom, free your resistance
Out of the blue
And into the real you
Instant freedom, free your resistance
Free your resistance
Free your resistance
Maybe in time there's a place you can find
A space you can call your own
A place you can be where the movement is free
Motion is all so slow
We spend all day long
Trying to figure out what we're doing wrong
We spend most of the night
Dreaming to see if we're doing it right
So get out of the blue
And into the ocean
Instant freedom, free your resistance
Out of the blue
And into the real you
Instant freedom, free your resistance
Free your resistance
Free your resistance
We spend all day long
Trying to figure out what we're doing wrong
We spend most of the night
Dreaming to see if we're doing it right
So get out of the blue
And into the ocean
Instant freedom, free your resistance
Out of the blue
And into the real you
Instant freedom, free your resistance
Free your resistance
Free your resistance
