

Reflections

Cast

Well I can see my reflection, reflecting in you
And I can see the connection connecting the two

Its dream reality
Trying to break free and wake me
Dream reality
Trying to break free from this world
From the world

Well I can feel your reactions reacting with mine
And I can sense things are happening, they're happening on time

Its dream reality
Trying to break free and wake me
Dream reality
Trying to break free from this world
From the world

Well I can feel your direction directing me on line
And I believe you're responding, responding to your mind

Its dream reality
Trying to break free and wake me
Dream reality
Trying to break free from this world
From the world
From the world
