

# The Feeling Remains

## Cast

Thinking about the words That you keep telling me But I just do  
n't seem to care And I keep wondering what it's worth The time  
I'm spending here's Like driving a car reversed

I walk alone I will walk alone I walk alone I will walk alone

But this feeling remains This feeling remains This feeling rema  
ins The feeling's the same

Fighting for what you feel Will take you closer to the Moment t  
hat you can steal A chance to Slip in through the night I'm und  
er cover but I'm walking towards the light

I walk alone I will walk alone I walk alone I will walk alone

But this feeling remains This feeling remains This feeling rema  
ins The feeling's the same

What fool am I Who see's but never realise The limit to the sky  
Is in my mind I'll take a chance And see what I can find My fr  
iend said that he who rise Will surely make his way He who has  
the words Will have the say And he who walks the Earth Must liv  
e today

This feeling remains This feeling remains This feeling remains  
The feeling's the same

The seasons will change The seasons will change This feeling re
