

# Time Bomb

## Cast

In my life I have struggled to understand  
What it's like to be able to be a man  
In this world that don't give a damn

Time ticks like a bomb  
One moment you're here, bang!  
The next day you're gone  
And maybe I'm wrong  
Each day I find everything I do is just a waste of  
Time  
Time

In my life I've been puzzled with what makes sense  
Time goes by and I'm unable to comprehend  
What it this that this world demands

Time ticks like a bomb  
One moment you're here, bang!  
The next day you're gone  
And maybe I'm wrong  
Each day I find that everything I do is just a waste of  
Time  
Time

Lessons I've learnt  
Could never prepare me for  
How a young boy's heart yearns

Time ticks like a bomb  
One moment you're here, bang!  
The next day you're gone  
And maybe I'm wrong  
Each day I find everything I do is just a waste of  
Time  
Time

My life, it ticks like a bomb  
My life, it ticks like a bomb  
My life, it ticks like a bomb  
My life, it ticks like a ticks like a ticks like a  
Time bomb, time bomb  
Time bomb, time bomb
