## Casting Crowns

It was a day  
Just like any other day  
I was a boy  
Just like every other boy

But when the girl  
Unlike any I had seen  
It's like she stepped out of a dream  
And into my world

Could have been the summer wind  
Playing with her hair  
As the sun danced in her eyes  
We were standing there

She smiled I forgot my name  
'Cause all I was thinking

Maybe I'm crazy but I'm praying  
That an angel will love me  
An angel will love me

Maybe I'm a fool but I'm still falling  
Asking heaven above me  
For an angel to love me  
The rest of my life

You're the proof that the Father answers prayers  
'Cause somehow somehow  
You and I are standing here

With the sacred promise  
And a ring that says it all  
I've just begun to fall  
From the deepest part of me I say I do

Maybe I'm crazy but I'm praying  
That an angel will love me  
An angel will love me

Maybe I'm a fool but I'm still falling  
Asking heaven above me  
For an angel to love me  
The rest of my life  
After all the changing seasons  
Have turned to years  
The crowns are gone  
And the suns have faded

I'd still be here  
Holding you  
When thanking heaven  
For my angel

Maybe I'm crazy but I'm praying  
That an angel will love me  
An angel will love me

Maybe I'm a fool but I'm still falling  
Asking heaven above me  
For an angel to love me  
The rest of my life
