

# Daddy

## Casualties of Cool

Hey what's the matter  
Are your dreams all gone  
Well you know  
The well was dry

Lazy lonesome monster  
Will your dreams meet you  
Where you lie  
You wait all night

Go tell your daddy  
That your dreams fell through  
Poor You  
The dream has died

Don't move  
Don't Breathe  
Look it's you  
You're Saved  
Two by Two, they pass you by  
Two by Two, they pass you by

Hey, who's your daddy  
Had your dreams flown by  
Toss the coin  
That I don't mind

Don't move  
Don't speak  
I've got you in a bind  
I've got you in a bind  
Two by Two, walk the line  
Two by Two, and that's my fine  
Two by Two, Two by Two

Put it on the line
