

Choke Down

Cataract

This incontent industry cashing in on your misery.
Selling products that decry, channeled into a consuming
lie.

Our own abilities have been displaced, projected onto
items we're forced to own.

Our own abilities have been displaced, projected onto
items we're forced to own.

Bloodsucking industries will cut your throats.
Bloodsucking industries will get you all.

Choke us down!

Bloodsucking industries will cut your throats.
Bloodsucking industries will get you all.

Caught in this wheel from birth there's no way out.
This treadmill is our curse.

Choke us down!

Keeping it until death is here.

Choke us down!

Dignified by constricted fear.

Bloodsucking industries will cut your throats.
Bloodsucking industries will get you all.
Bloodsucking companies will crush you down.
Bloodsucking companies.

Choke down!

Choke down!

Choke down!
