

No Stone Unturned

Catatonia

No stone unturned
Your spurn is stoned
Lifeless and drowned
Liquid desire
Casual at best
Slow disinterest
To routine bound
Partially dressed

I did not leave the sinking ship
The sinking ship left me - ee - ee

If light is kind
Your lose were blind.
She kept a child
And in nine months time...
Slow dance, miss time
Take as you find
Awkward and drowned
Liquid desire

I did not leave the sinking ship
The sinking ship left me - ee
A lone contender
Who can never win
I've seen him
Uncharted waters
Where I now belong
Like my song

I did not leave the sinking ship
The sinking ship left me - ee - ee

No stone unturned
My spurn is stoned
Lifeless and still
Liquid desire

I did not leave the sinking ship
The sinking ship left me - ee - ee - ee - ee
