

Point the Blame

Catch 22

Point the blame
picture frame
Playing by the rules that's why you're losing the game.

I think I heard it through the walls
in the bathroom stalls,
or maybe in my yesteryears hanging out in the halls.
We've got the rhythm wrong
It sounds just like a Phish song.
"Please her with a tweezer,
I'll stick it in the freezer."

So, brother say what you want.
I never know what you want from me.
I'm moving up, moving on.
So, say goodbye because I won't say goodbye to you.

[Chorus]

Playing by the rules that's why you're losing the game.
Point the blame,
windowframe.
Losing because you're playing by the rules of the game.

Somebody said it once before
but I'm really not too sure.
Who it was, and where it was, and why I'm so insecure.
We've got the rhythm wrong.
It sounds just like a Dead song.
"Nothing left to do but smile, smile, smile, smile."

So brother say what you want.
I never know what you want from me.
I'm moving up, moving on.
So, say goodbye because I won't say goodbye to you.

[Chorus]

Running around and I'm thinking about,
I can't wait to figure it out.
Policeman coming, so I'm running away.
Badboy coming, so I'm running away.
Richboy coming, so I'm running away.

[Chorus]
