Painful Thing

Catherine Wheel

Bury myself on a bed of nails Killing myself cause it never fails With you I've gotta get all of you I've gotta get all of you I only want all of you I've gotta get all of you Always goad ??? You never try I wish you would I don't know why Understand the need to rush Am I wanting far too much Killing myself on a foolish dream Killing myself cause I want to be with you I've gotta get all of you I've gotta get all of you I only want all of you I've gotta get all of you I've gotta get all of you I've gotta get all of you I only want all of you I've gotta get all of you
