

# Fallacy

Catherine

Open page one  
Kick start the mind work  
Second page  
Dive into imagery

Read along, baited in, images so splendid  
Objects of our obsession  
Made to look the way we want, we always thought  
Objects of our obsession

We're always half of what we seem  
Made to believe this picture dream  
I have yet to hear you say  
I love that jacket It brings out your personality

But maybe thats just me

This picture  
This picture's proof  
Proof that you are a fallacy.

Read along, baited in, images so splendid  
Objects of our obsession  
Made to look the way we want, we always thought  
Objects of our obsession

This picture

Third page, fourth page a never ending story  
We've gone to far this shining star is duller than we thought

This is a fallacy
