Land Of The Severed Meatus

Cattle Decapitation

Enter the count In all his grimoire testimony Generations of genocide Severed sex glands to his delight Meatuses litter the ground Every step--hundreds of genitals Placed here for the kingdom of sodomy Fanfare of depraved in despair Blinding stench of carnage Dismembered, discarded Kill. Hate. Decreate.

In the perineum and out the mouth Quartered by wooden spikes Absence of genitalia Hidden by disgorged abdomen Entrails spill upon the land and then swept aside to my delight

Enter the tyrant with all his carnal necrophilia Generations of genocide Severed sex glands to his delight Meatuses under your feet Placed here for the kingdom of sodomy

A cornucopia of throbbing gutshed The sand is blood red and stained with disease Every appendage is pinned and held high A testament to humanity Cannot you just die?

Everything you know. Everything you love. Must be destroyed. You die annihilated...

Islets and divided sectors for every body part Standing in fields of disease Praying on bended knees That you might survive As you've lost your arms as they've tossed your legs The hounds now eat the carnage A fleshy turf now thrives You've died of your wounds Earthen visceral womb Geography--a tomb

Enter the Christian So blind in your demise Impossible to run with spikes through your thighs Meatuses litter the street Placed here for the kingdom of sodomy
