

Back for Love

Caught In The Act

I remember tender words
you told me
And the special way

you used to hold me
Do you remember the day you fell in love
We fell in love

Why did I let you go
Oh oh oh oooooohhhh
I'm back to start the show
Oh oh oh oooooohhhh
By now I let you know
This time we're here
This time we're here to stay...

We're back for love
We're back for never
giving up
We're back for love
This time we never
gonna stop

We're back for love
We're back for
never giving up
We're back for...
Oh oh oh oooooohoooo
Oh oh oh ooooooh
Oh oh oh oh oooooohoooo
I'm back for love

I'm back for love

We're back for love.

I'm back for love

I know I wasn't there
When your heart was broken
Let's come together now
Cause nothing's unspoken
So glad you give me
Give me a second chance
A second chance

Why did I let you go
Oh oh oh ooooooh
I'm back to start the show
Oh oh oh ooooooh
By now I let you know
This time we're here
This time we're here to stay...

We're back for love
We're back for never giving up
We're back for love

This time we never gonna stop
You and me together
For now and forever
A world we're dreaming of

We're back for
Oh oh oh oooohoooo
Oh oh oh oh
Oh oh oh oh oooohooo

I'm back for love
