

Baby

Celine Dion

I don't want to wait too long
Wait too long
So what do I do?
I don't want to take this time
To look inside
It hurts when I do
I don't want to feel this thing
Feel this thing
It burns my eyes through
Crying is the only thing that gets me through
Besides calling for you, oh-oh
Calling for you, oh-oh
Calling for you, oh-oh
Calling for you, oh-oh
Besides calling for you

I'll be there, eh-eh (Eh-eh)
I'll be there, eh-eh (Eh-eh)
I'll be there, eh-eh (Eh-eh)
Come to me
Come to me

I don't want to think too much
Think too much
But that's what I do
Missing you is all I know
When you were close
I felt every move
Now, I don't want to feel this pain
Or stay up late and fall right into
Crying is the only thing that gets me through
Besides calling for you, oh-oh
Calling for you, oh-oh
Calling for you, oh-oh
Calling for you, oh-oh
Besides calling for you

I'll be there, eh-eh (Eh-eh)
I'll be there, eh-eh (Eh-eh)
I'll be there, eh-eh (Eh-eh)
Come to me
Come to me

Besides calling for you, oh-oh
Calling for you, oh-oh (I don't want to wait)
Calling for you, oh-oh (I don't want to wait too long)
Calling for you, oh-oh (I don't want to wait)
Besides calling for you

I'll be there, eh-eh (Calling for you)
I'll be there, eh-eh (Eh-eh) (Oh-oh, I don't want to wait too long)
I'll be there, eh-eh (Eh-
eh) (I don't want to wait, I don't want to wait, wait too long)
Come to me
Come to me (Oh-oh)
I don't want to wait too
