

I've Got the World on a String

Celine Dion

I've got the world on a string
Sitting on a rainbow
Got that string around my finger
What a world, what a life, I'm in love

I've got a song that I sing
I can make the rain go
Anytime I move my finger
Look at me... Can't you see I'm in love?

Life's a beautiful thing
Long as I hold that string
I'd be a silly so-and-so
If I should ever let you go

I've got the world on a string
Sitting on a rainbow
Got that string around my finger
What a world, what a life, I'm in love

Life's a beautiful thing
Long as I hold that string
I'd be a silly so-and-so
If I should ever let you go

I've got the world on a string
Sitting on a rainbow
Got that string around my finger
What a world, what a life, I'm so in loooooooooove
