You Shook Me All Night Long

Celine Dion

He was a fast machine He kept her motor clean He was the best damn man I had ever seen He had the sightless eyes Telling me no lies Knockin' me out with those American thighs Taking more than his share Had me fighting for air He told me to come but I was already there

'Cause the walls start shaking The earth was quaking My mind was aching And we were making it and you -

Shook me all night long You -Shook me all night long

Working double time On the seduction line He was one of a kind, he's just mine all mine He wanted no applause Just another course Made a meal out of me and came back for more Had to cool me down To take another round Now I'm back in the ring to take another swing

'Cause the walls were shaking The earth was quaking My mind was aching And we were making it and you -

Shook me all night long You -Shook me all night long
