

# I Wish It Could Be Christmas Everyday

Celtic Thunder

When the snowman brings the snow  
Well, he just might like to know  
He's put a great big smile on somebody's face

And if you jump into your bed  
Quickly cover up your head  
Don't you lock your door  
You know the sweet Santa Claus is on his way

Well, I wish it could be Christmas every day  
When the kids start singing and the band begins to play  
Oh, I wish it could be Christmas every day  
So let the bells ring out for Christmas

When we're skating in the park  
If the storm clouds paint it dark  
Then your rosy cheeks gonna light my merry way

Now the frosticals appeared  
And they've frozen up my ear  
So we'll lie by the fire  
'Til the sleep simply melts them all away

Well, I wish it could be Christmas every day  
When the kids start singing and the band begins to play  
Oh, I wish it could be Christmas every day  
So let the bells ring out for Christmas  
(Wish it could be Christmas, oh, I wish it could be Christmas)

Well, I wish it could be Christmas every day  
When the kids start singing and the band begins to play  
Oh, I wish it could be Christmas every day  
So let the bells ring out for Christmas

Well, I wish it could be Christmas every day  
When the kids start singing and the band begins to play, woah,  
ooh  
Oh, I wish it could be Christmas every day  
So let the bells ring out for Christmas  
So let the bells ring out for Christmas
