

Throw Your Mask Away

Cerebral Turbulency

I can't stand the human feature called hypocrisy!
You who use it, you are poor beings
You don't know yourselves
Say what you think straight up
Don't hide behind your pile of lies
Don't be one thing and then another
Anyhow, you are always being appreciated by some and hated by others
Many people try to be someone they're not and
Think they're not doing anything bad
But the opposite is right
Throw your masks away and
Be your own man whoever you are
And don't be ashamed of yourself!
