## **Slow Loud & Bangin**

## Chamillionaire

Slow loud and bangin'
I turn my speakers up
And then I just start swanging
Sometimes I get behind the wheel
Then I start to steer
Don't know where I'm going but just get me out of here
Slow loud and bangin'
I feel the breeze and it be feelin so amazing
See baby I'm just trying to live
And I got stress for real
So I drop the topper 'cause how will that make me feel

Drop the top and then you know the drill Git the strips so I can show the wheels People say that I'm over thrill But when they talk about me they promote and steal They told me real to recognize the real But if you real then you should know Chamille If you don't then you should get a coke Because a coke show that it's the cola feel Wooden rippen written on my plates This type of weapon is in normal ways But I can see you ain't got a clue So be a good detective and get on the case You can sit on that couch at home And not reach success and then call it fate 'Cause y'all the type that applies the brakes But know that I'm the type that ain't trying to wait

Slow loud and bangin'
I turn my speakers up
And then I just start swanging
Sometimes I get behind the wheel
Then I start to steer
Don't know where I'm going but just get me out of here
Slow loud and bangin'
I feel the breeze and it be feelin so amazing
See baby I'm just trying to live
And I got stress for real
So I drop the topper 'cause how will that make me feel

Money don't make you bullet proof express You can get sued mess around and lose your vest Get your heart broken and it bruise your chest Peace won't guarantee the roogie's rest Your good girl trying to find who to sex While you try to figure what dude is next Someday you gotta give bad news to press But even winners gotta find new success Meditate ain't a spare to wait Next stop on the map is a better day Pretend that the towers was never break But the past's in the past so just let it chain The passangers out with your head to lay When I'm in the road till the getaway The truth remain with you so be scared to say When I turn the beat up and I let it play and say Slow loud and bangin'
I turn my speakers up
And then I just start swanging
Sometimes I get behind the wheel
Then I start to steer
Don't know where I'm going but just get me out of here
Slow loud and bangin'
I feel the breeze and it be feelin so amazing
See baby I'm just trying to live
And I got stress for real
So I drop the topper 'cause how will that make me feel

Seem like this world so drop as cruel Good parents don't give proper duos What the hell happened to Dr. Seuss And who taught these little kids how to cock a shoe Turn 13 and get shot for shoes Turn 15 and get shot in school Get too upset when I watch the news So I just hit the strip in the drop topper cruise Please Lord don't fail me now This partnership's a cooperation I'm on the job and know who to bust And make living longer my occupation They always told me their money talks I always loved a good conversation But they ain't seein' who behind the wheel So let's drop the top so they not mistaken

Slow loud and bangin' Amazing Down against the wheel 'cause it always makes me feel Down against the wheel 'cause it always makes me feel alright Slow loud and bangin' Slow loud and bangin'
